The project envisages enabling Universities to be one of the key players in facilitation of the processes of mediation in Azerbaijan, Georgia and Ukraine.

The project teams will learn the best EU practices, select and train the staff, select students, develop and implement Master Degree Program in Mediation.

The Mediation Federations will be established in each partner country, that will act as sustainable mechanisms, through which HEI staff will have opportunities to promote the mediation values, introduce legislative changes, develop cooperation with various stakeholders and make impact on the local, national and international level.
