	<b>Mandatory courses</b>																
1	History of Georgia (General course)	3	75	15			15		45	3							
2	Academic writing	3	75	15			15		45	3							
3	Intro to Philosophy	2	50	15			15		20	2							
4	Psychology	2	50	15			5		30	2							
5	Advanced math with elements of statistics	4	100	15			15		70	4							
6	Basics of agriculture	6	150	30			45		75	6							
7	Environment protection and natural resources	5	125	15			30		80	5							
8	English language A1	5	125				45		80	5							
9	Intro to chemistry	5	125	15	10		20		80		5						
10	Botany	6	150	15			45		90		6						
11	Information technologies	5	125				45		80		5						
12	Agricultural microbiology	4	100	15			30		55		4						
13	Soil studies (pedology)	5	125	15			45		65		5						
14	English language A2	5	125				45		80		5						
15	Genetics, selection of the agricultural plants	5	125	15			45		65			5					
16	English language B 1.1.1	5	125				45		80			5					
17	Annual and perennial plants	5	125	15			30		80			5					
18	Agro-meteorology	5	125	15			30		80			5					
19	Agricultural melioration	5	125	15			30		80			5					
20	Agricultural entomology	5	125	15			30		80			5					
21	Seed-growing, study of species	5	125	15			30		80				5				
22	English language B 1.1.2	5	125				45		80				5				
23	Agro-chemistry	5	125	15			45		65				5				
24	Agrarian phitopathology	5	125	15			45		65				5				
25	Plant protection	5	125	15			30		80				5				
26	Management of agriculture	5	125	15			30		80				5
