

Dear Sir or Madam,

With pleasure, we would like to inform you that the recruitment for the Lane Kirkland Scholarship Program is underway. The scholarships are sponsored by the Polish-American Freedom Foundation, with administration by the Leaders of Change Foundation. Recruitment is also open for the Kirkland Research – an additional track of the Program aimed at candidates with a scientific background and established position in the academic world.

As every year, we aim for as many candidates as possible to learn about the Kirkland Program and thus have the opportunity to apply for the scholarship. We kindly ask you to share information about the recruitment with individuals who may be interested in applying for the scholarship, as well as with institutions or media outlets that may have contact with potential candidates.
